A RESOLUTION IN SUPPORT OF CAMPAIGN TO MAKE NORTH CAROLINA A NO-TORTURE STATE (2018-12-05/R-5)

WHEREAS, the non-governmental North Carolina Commission of Inquiry on Torture (NCCIT, www.nccit.org) was established to examine the role of North Carolina in the United States' secret, global torture program launched soon after 9/11/2001; and

WHEREAS, the volunteer led NCCIT has conducted an inquiry into the use of our public airports by the CIA to facilitate torture and learned that Aero Contractors, a CIA affiliated company, transported at least 49 people for torture, many of them innocent of any terrorist ties; and

WHEREAS, Aero Contractors is headquartered at the Johnston County Airport in Smithfield, and also used the state-run Global TransPark in Kinston for "torture taxi" flights; and

WHEREAS, North Carolina citizens have been calling since 2005 for investigation of Aero Contractors, and support has come from people of faith, veterans, elected officials, civic groups, labor, various political parties, and members of different racial and ethnic groups; and

WHEREAS, the Chapel Hill Town Council, on February 13, 2017, received information on the work of the North Carolina Commission of Inquiry on Torture and adopted a Resolution in support of the Commission's work to address the role of North Carolina in secret detention and torture and to craft a model of accountability that can inspire similar efforts elsewhere; and

WHEREAS, 10 NCCIT Commissioners – a diverse, blue-ribbon panel of distinguished citizens – heard testimony from 20 witnesses (survivors, journalists, human rights experts) on November 30 and December 1, 2017, in Raleigh; and

WHEREAS, Governor Roy Cooper and Attorney General Josh Stein are expected to respond to the 84-page NCCIT Report (NCTortureReport.org) since its release September 27, 2018.

NOW, THEREFORE, BE IT RESOLVED by the Council of the Town of Chapel Hill that the Council hereby urges Governor Cooper and Attorney General Stein to hold private contractors such as Aero Contractors accountable for involvement in the torture program; enforce state, federal, and international law; stop hosting Aero at public airports to prevent North Carolina from being the home to "torture taxis."
