

# Vigil to End Official Silence on NC's Role in Torture

Wednesday, June 26, 12 - 1 p.m.

116 W Jones St, Raleigh (NC Governor's Office)

Seeking transparency for the state's role in the  
**CIA Rendition and Torture program.**

Thousands of North Carolinians have petitioned Governor Cooper to investigate the stationing at a North Carolina public airport of Aero Contractors, identified by the *NY Times* as a CIA front airline that has been used to “render,” i.e., kidnap and transport, dozens of people to overseas torture locations during the George W. Bush years. The airline’s facilities have been expanded since. So far, the Governor has not responded. **June 26 is the UN International Day in Support of Victims of Torture.** Join us in respectfully urging the Governor to acknowledge and end our state's role in torture.

**Sponsored by:** NC Stop Torture Now, NC Council of Churches, Raleigh Friends Meeting, Amnesty International Group 213, Movement to End Racism & Islamophobia, Triangle WILPF, Eisenhower Chapter 157 Veterans for Peace, Fr. Charlie Mulholland Catholic Worker House of Garner, and North Carolina Peace Action.
